

## Scotty's Summer Camp Mission Statement

The goal of Scotty's Summer Camp is to provide a challenging mix of both educational and fun activities in-house and outdoors that stimulate intellectual and physical abilities for your child.

Our fun-filled summer camp curriculum is designed to motivate your child's interest and involve them in experiencing exciting, weekly adventures in and around Scotty's.

*Your children will create some memories this summer at Scotty's Kiddy Korner!*

### TECHNOLOGY for Senior Campers

Scotty's incorporates computer, Wii and arcade time into the weekly activities for our Campers.

Technology time is limited to short periods of time as planned summer camp activities take precedence.

Personal technology from home, such as but not limited to, hand held video games, tablets, iPads, laptop computers, any type of cell phone, and any type of camera is not allowed to be brought to camp.

*At Scotty's, we always have supplemental activities prepared and ready to fill up each and every day, rain or shine.*
