

Scotty's Summer Camp Mission Statement

The goal of Scotty's Summer Camp is to provide a challenging mix of both educational and fun activities in-house and outdoors that stimulate intellectual and physical abilities for your child.

Our fun-filled summer camp curriculum is designed to motivate your child's interest and involve them in experiencing exciting, weekly adventures in and around Scotty's.

Your children will create some memories this summer at Scotty's Kiddy Korner!

NEW FOR SUMMER CAMP 2024

The theme for this Summer is **Science!** We will be learning about different areas of Science and how it affects our every day Summer fun. Each day we will focus on something new about our weekly theme while having a blast!

Some of the fun we will be doing this Summer are:

- Studying science in our **environments**.
 - Exploring **hypothesis**'.
- Researching the **how's and why's** of science.
- Experience **edible science experiments**.
- Fun **spirit days** and educational & fun **water days**.
- Fun **science experiments everyday** pertaining to the weekly area of science.

Our Summer Campers will have their very own **Garden** that they will cultivate and tend to all Summer long!

TECHNOLOGY

Scotty's incorporates computer and arcade time into the weekly activities for our Campers.

Technology time is limited to short periods of time as planned summer camp activities take precedence.

Personal technology from home, such as but not limited to, hand held video games, tablets, iPads, laptop computers, any type of cell phone, and any type of camera **is not allowed** to be brought to camp.

Weekly activity calendars will be both posted in your child's room and sent home.

At Scotty's, we always have supplemental activities prepared and ready to fill up each and every day, rain or shine.

SUMMER SCIENCE

SCOTTY'S SUMMER CAMP 2024

**A Summer full of learning
about Science through
our fun Summer Activities!**

Scotty's Summer Camp 2024 '9 Weeks of Science - 9 Weeks of Fun'

WE HAVE IT ALL!

Weekly Themes filled with activities that your child will find to be fun, interesting, and educational.

Trips to the park for outdoor play where they will learn to play games and sports.

In-house Fun in our air conditioned classrooms with activities, crafts, and games geared to the week's theme. **Special Project:** Our very own **Garden** we will tend to all Summer long!

Field Trips - the return of our super popular **Town Wide Traveler** program where we take many field trips to local community destinations to learn about their importance in our daily lives. As well as our Big Field Trip to the CT Science Center!

Weekly Special Events! Special events are planned throughout Summer Camp and occur weekly at Scotty's.

Summer Camp 2024

runs from

Monday, June 17th

thru

Friday, August 23th

(We are closed July 08 - 12 for our Summer Vacation)

SENIOR CAMPERS: Scotty's school children ages 5 and up, who are entering 1st Grade and up in the fall, will be involved in both "Out of House" and "In House" activities. They will enjoy indoor and outdoor activities at Scotty's as well as many planned sports and game activities at Robert Tedford Memorial Park, our local Public Libraries and local Field Trips. We are planning a big field trip to the Connecticut Science Center in Hartford as well.

The theme for this Summer is **Summer Science**. We will be exploring different types and fields of Science that are incorporated into fun summer activities. Each day we will focus on our weekly science field:

Mondays - Art Science

Tuesdays - Hands on Experiment

Wednesdays - Science Discovery

Thursdays - Cooking Around the

Campfire (Fireless Recipes)

Fridays - Spirit Days / Water Days

1 - Week of JUNE 17 - 21

ASTRONOMY

We will start off our Summer Camp program learning about Astronomy.

Through virtual star and planet exploration, books, activities and songs we will shoot for the stars!

Friday will be our

'SUPER STAR DANCE PARTY'

We will all shine bright like stars dancing to songs about stars and planets!

2 - Week of JUNE 24 - 28

BIOLOGY

This week we will be introduced to Biology and Chemistry with living organisms. We will explore how Summer weather effects our bodies and environment.

Friday will be our

'BEAT THE HEAT PICNIC'
(Cold lunches only, please)

We will have our lunch outside and discuss & implement ways to stay cool and be hydrated on a summer day!

3 - Week of JULY 01 - 05

PHYSICS

This week we will learn about Physics in our every day activities and play. Let's get physical!

Friday will be our

'BUBBLE BONANZA'

We will have fun exploring the way matter moves through bubbles in all different sizes!

4 - Week of JULY 15 - 19

ECOLOGY

This week we will learn about the Ecology of the beach and discover how cool sand and ocean life can be.

Friday will be our

'BEACH BASH'

While recapping what we learned this week, we will take a "trip to the beach" and play toy water games!

SCOTTY'S IS CLOSED THIS WEEK (JULY 08-12) FOR OUR SUMMER VACATION SHUTDOWN. NO TUITION IS DUE THIS WEEK.

5 - Week of JULY 22 - JULY 26

ENGINEERING

This week let's explore chemical engineering in fun summer drinks, foods and exploration with sand and slime.

Friday will be our

'CREATE YOUR OWN SUMMER SLIME'

Since we are exploring science and creativity, campers will get to create their own slime with various colors and textures!

6 - Week of JULY 29- AUGUST 02

CHEMISTRY

This week we will be exploring chemistry by learning about Summer elements. We will learn how they are all around us and ways we can play with them.

Friday will be our

'RAINBOW CREATION STATION'

We will have fun making our own indoor rainbows using 3 different methods!

7 - Week of AUGUST 05 - 09

GEOLOGY

Let's learn about the Earth's physical nature by exploring environments on where we are going for our "Daily Summer Vacations".

Friday will be our

'OUTDOOR VACATION EXPLORATION'

We will have our own vacation outside, relaxing, playing and socializing in our own Kids' Klub-Med, including an all you can drink lemonade stand run by friends!

8 - Week of AUGUST 12 - 16

FORENSICS

This week we will be detectives and forensic scientists to find out on Friday who stole our sidewalk chalk and other fun mysteries and crimes.

Friday will be our

'CRIME HUNT'

We are hunting down crimes at Scotty's Kiddy Korner being super sleuths!

9 - Week of AUGUST 19 - 23

SOCIOLOGY

To close off the awesome science learning for the Summer, we will discuss our favorite weeks and the sociology of nature and economics.

Friday will be our

'ICE CREAM SOCIAL'

I scream, you scream, we all scream for ice cream! With awesome friends and various toppings, we will socialize and share all the fun we had this year with each other!
