

# Scotty's Summer Camp Mission Statement

The goal of Scotty's Summer Camp is to provide a challenging mix of both educational and fun activities in-house and outdoors that stimulate intellectual and physical abilities for your child.

Our fun-filled summer camp curriculum is designed to motivate your child's interest and involve them in experiencing exciting, weekly adventures in and around Scotty's.

*Your children will create some memories this summer at Scotty's Kiddy Korner!*

## SUMMER CAMP 2026

The theme for this Summer is **Fun for Everyone!** Whether your child likes sports, board games, art, history or even holidays, we will have a little bit of everything for everyone to learn and have fun. Each day we will focus on something new about our weekly theme while having a blast!

Some of the fun we will be doing this Summer are:

- Learning and playing a new **Sport** every Monday.
- Conducting a **Science Experiment** every Tuesday.
- Playing some type of **Game** every Wednesday.
- Creating a food dish with our **Cooking around the Campfire (fireless recipes)** every Thursday.
- Fun **Special Event Fridays** that are sure to create memories every week.

Our Summer Campers will have their very own **Garden** that they will cultivate and tend to all Summer long!

## TECHNOLOGY

Scotty's incorporates computer time into the weekly activities for our Campers.

Technology time is limited to short periods of time as planned summer camp activities take precedence.

Personal technology from home, such as but not limited to, hand held video games, tablets, iPads, laptop computers, any type of cell phone, and any type of camera **is not allowed** to be brought to camp.

Weekly activity calendars will be both posted in your child's room and sent home.

*At Scotty's, we always have supplemental activities prepared and ready to fill up each and every day, rain or shine.*
